

1. ASSA Recognition Award

- 1.1 The ASSA Recognition was first introduced by the Employees Provident Fund (EPF) of Malaysia in 2015. The purpose of the Award is to recognise ASSA member organisations' achievements.
- 1.2 The criteria and categories for the ASSA Recognition Award are as follows.

No.	Categories of Recognition	Description of the Categories
1.	Innovation Recognition Award	Creation of an innovative technology, product or service which has led to improvements in services or products.
2.	Transformation Recognition Award	A practice that has resulted in improvement in the overall effectiveness, efficiency, and success of the organisation.
3.	Customer Service Recognition Award	Organisations that have implemented successful customer service strategies which are able to meet customers' expectations in terms of delivery and quality of service.
4.	Continuous Improvement Recognition Award	Organisations that are in a never-ending effort to expose and eliminate root causes of problems. It usually involves many incremental steps towards improvements rather than one overwhelming innovation.
5.	Strategic Communication Recognition Award	Organisations that have pushed the boundaries when it comes to their communications strategy in order to ensure they truly engage with their members using various communication channels.
6.	Information Technology Recognition Award	Organisations that run their business using effective and reliable technologies that are essential to drive efficiency and productivity, and improve organisational outcomes and performance.
7.	Insurance Coverage Recognition Award	Insurance and social security schemes that have developed their proposition with a clear focus on retirement, health and meeting members' needs.
8.	Financial Literacy Recognition Award	Organisations that have introduced and provide advisory services on financial literacy and retirement planning to address issues on adequacy of members' savings for retirement.
9.	Investment Governance Recognition Award	Organisations that have reflected specific issues relating to the management of funds of social security institutions' objectives, ranging from the investment of benefits provided and also addressing issues on the adequacy of the fund.

1.3 The write-up should include the following:
